We, the Editorial Team, are happy and proud to be associated with REFLECTIONS 2020, the first instalment of the Sherwood Hall online magazine. The past year was an extremely challenging one. It was a year of constant caution, adaptation, and reinvention.

The new normal gave space to hitherto unexplored vistas. What was earlier simply an ‘interest’ now grew into an abiding passion, another was able to effortlessly transmute emotions such as grief, nostalgia, exuberance, sorrow, etc into lines of poetry and prose and even images frozen forever in time.

Going through the creative expressions of our students, we were amazed and in thrall. REFLECTIONS 2020 has provided a platform for our students to reveal their immense talent and show the world that their minds are but gateways to newer horizons.

None of this would have been possible without the support and encouragement of our dear Principal, Mrs. Diva Krishna, and the Management of Sherwood Hall School. We are also much indebted to the following members of the Editorial Team:

- Ms. Catherine Kurian
- Ms. Joisy Alexander
- Ms. Deepa
- Ms. Pooja S. Sasi
- Ms. Barakath Sharmila
- Ms. Soumya
- Ms. Yasmin

So, hold on and prepare to be amazed as you make your way through REFLECTIONS 2020.
